Subject: MAINTENANCE ALLOWANCE GRANT TO PENSIONERS.

Sir,

I am directed to state that it has come to the notice of the Government of India that a number of displaced pensioners have been granted benefits under the Maintenance Allowance scheme sanctioned by the Government of India. Ordinarily, the Scheme is restricted to those displaced persons who have no means of livelihood in India and have been given no other rehabilitation benefit. All displaced pensioners have obviously some means of livelihood in the shape of pension and are consequentially ineligible for the grant of any maintenance allowance. To avoid hardship to those who are in receipt of a small amount of pension, the Government of India have, however, decided, as a special case, that those displaced persons who are receiving a pension which is less than the amount of main tenance allowance admissible to them under the revised scale sanctioned in this Ministry letter No.1(4)-RHM/51, dated the 29th May, 1951, may be granted maintenance allowance equal to the difference, between the maintenance allowance admissible in each case and the pension drawn. For example, a displaced person who is receiving a pension of Rs.12/-p.m. and is eligible for the grant of a maintenance allowance of Rs.50/-p.m. under the revised scale may be granted a maintenance allowance equal to the difference i.e. Rs.38/-p.m.

2. I am to request that Disbursing Officers may kindly be instructed to examine the cases of all pensioners in receipt of maintenance allowance in the light of the remarks contained in the preceding paragraph and submit their recommendations in each case to this Ministry by the 31st July, 1951. Payment of maintenance allowance should be stopped forthwith to those grantees whose pension is not less than the amount of maintenance admissible to them.

Yours faithfully,

Copy of a letter No. RHM-1(4)/51, dated the 30th July 1951, from the Government of India, Ministry of Rehabilitation, New Delhi.

Subject: Maintenance allowance.

In continuation of this Ministry letter No.1(4)-RHM/51 dated the 29th May 1951, I am directed to state that the Government of India have decided that all grantees receiving a maintenance allowance of Rs.10/- P.M. or below should with effect from the 1st June, 1951, be paid maintenance allowance at the rate of Rs.10/- (Rupees ten only) p.m. Instructions may kindly be issued to all Disbursing Officers to make payments accordingly.

2. As regards the remaining grantees, no review is called for in the case of those receiving maintenance allowance between Rs.11/- and Rs.29/- p.m. as the benefits in the old scale and the revised scale are identical. In the case of the grantees, receiving maintenance allowance at a higher rate, the cases of those whose income has been properly assessed by the local authorities, will be reviewed and orders issued sanctioning enhancement according to the revised scale in due course.

3. I am to add that the Government of India consider that the benefits granted under the maintenance allowance scheme should be co-ordinated with the claim preferred by the grantees in regard to their urban immovable property in Pakistan. It is, therefore, requested that all Disbursing Officers should kindly be instructed to obtain a declaration in triplicate from all grantees of the maintenance allowance about the claims filled by them in the attached form, verify these particulars from the copy of the order of the Claims Officer which is given to each displaced person whose claim has been decided, and forward 2 copies of the declaration to this Ministry by the 31st August 1951. The Disbursing Officers should be instructed not to pay maintenance allowanc to any grantee after the 1st Sept.1951 unless he/she has given this declaration.
